

Downing | Tabletop Series

Unlimited Folding Panel Display

Network Pop-Up Display

08 Plus Folding Frame Display

Tabletops Pack a Punch!

You've got a big selling job to do. Places to be and people to impress. Fortunately, it doesn't always take a big display to get your message across in a big way. With three Downing Tabletop systems to choose from, you're sure to land the right combination of size, practicality and visual interest.

The favorite among national marketers requiring multiple compact units, Downing's tabletop displays offer the hardworking features of freestanding exhibits, with unsurpassed convenience, portability and reliability.

Unlimited, the Original Folding Panel Display.

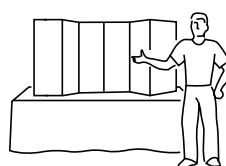

Traveling light takes you far with the Downing Unlimited versatile tabletop display. Its sturdy, fabric covered panels provide a quality backdrop for your selling message. This rugged display features a patented 360-degree folding hinge that is guaranteed for the life of the display. Not only is it the lightest weight aluminum framed panel system, the Downing Unlimited Folding Panel is the market leader.

Network Pop-Up Display. Built for visual impact and portability. Sets up in minutes. Put its high impact graphics to work, drawing attention, holding interest. Then pack it up fast. The Network tabletop tucks neatly into a small rolling case or in an optional larger rolling case that converts to a podium. Most of all, count on the Network to last. The all-metal modular frame comes with a lifetime guarantee.

08 Plus Folding Frame Display. Get fast, easy set-up with superb message control in one exquisite frame system. All you do is open it up. Graphics travel in place, lowering the risk of loss or damage while ensuring visual consistency from one show to the next. The patented 360-degree blade hinge draws the sleek radius profiles together, creating a clean, sophisticated presentation — with the greatest of ease.

The Unlimited features a patented 360-degree hinge

Network is constructed completely of metal components

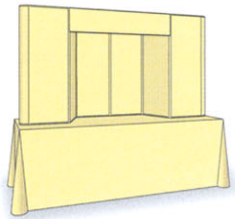

08 Plus features lightweight, aluminum frame construction. Panels are simple to change using ball-bearing controlled slider rail.

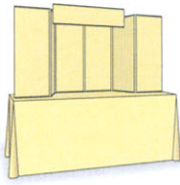

Each style packs quickly into its own case.

A Tabletop for Every Occasion.

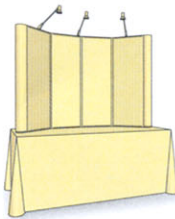

We've got your tabletop needs covered. Downing's Tabletop Series lets you choose your weapon in the personal presentation wars. The Unlimited and O8 Plus fold into numerous configurations because of the 360-degree hinge. The Network is modular and provides a seamless graphic look.
