

Set Up... Impress and Go

Easiest one-person set up in the market.
Fits any venue, weighs only 13 pounds.
Includes soft carry case with separate zip pocket for optional light.

Graphics are interchangeable.
All graphics are a photographic print laminated front and back for greater water resistance and UV inhibitor to extend graphic life.

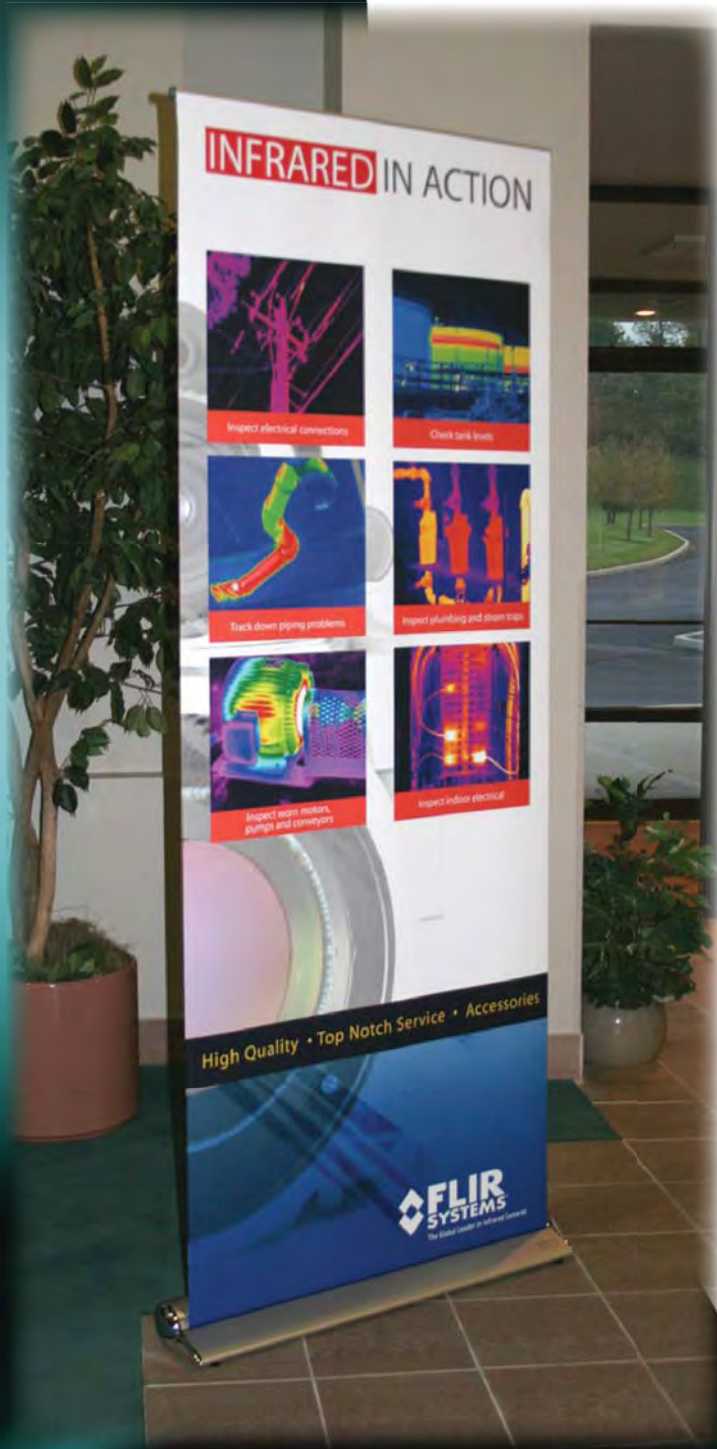

FEATURES:

- Zap® 2 brushed aluminum base has a swivel leg for stability
- Zap® 3 has a wide, brushed aluminum base with leveling feet for increased stability
- Adjusts to any height with its one-piece telescoping pole from 33" to 88"
- Easy-to-use clam lock ensures pole stays right where you want it
- Use on tabletop or floor
- Comes with carry case or optional hard case for shipping
